

2011 GREEN EGGS & SAND Workshops

Looking to infuse a globally-significant ecological phenomenon and current real-world resource management controversy into your classroom?

Interested in meeting and learning firsthand from a select and diverse group of experts and stakeholders offering a wealth of knowledge and experience with the issues?

The Green Eggs & Sand team is offering three full weekend workshops along the Atlantic coast for spring of 2011.

Participants take home the middle/high school-targeted, national-standards-keyed, video-and-activity-rich, GE&S curriculum package.
